PROFESSIONAL OBJECTIVES:

A career as a fine arts instructor in an educational situation that is challenging and rewarding. Seeking an opportunity to further develop as both an art educator and as a working artist.

EDUCATION:

NORTHERN ILLINOIS UNIVERSITY - Dekalb, Illinois 60115.
Master of Fine Arts (Studio Major - Painting) - August, 1979.

OHIO NORTHERN UNIVERSITY - Ada, Ohio 45810.
Bachelor of Art in Art - June, 1971.

STRENGTHS:

From my experience, I have first hand knowledge of the problems that arise on any level of the visual arts from the grade school classroom to the graduate studio. As artist-educator, I have the ability to motivate students and promote positive teacher-student interaction. I am skilled in many different media and possess a visual vocabulary that reflects a sensitive awareness of composition and design.

TEACHING EXPERIENCE:

Mohawk Local School District, Sycamore, Ohio - September 1983 to Present.

Grades 3-7

Initiated and developed first year art programs for both elementary and junior high school levels. Worked to create a very positive program and have been well by school administration and faculty as well as the general public.

Northern Illinois University, Dekalb, Illinois - January 1978 to June 1979. Basic Level Drawing and Design/Graduate Assistant.

Taught basic drawing classes with emphasis on two dimensional design, composition, and media technique. In addition, prepared slide presentations and in-class demonstrations.

Findlay City Schools, Findlay, Ohio - January 1972 to June 1976. Grades K-6.

Went beyond normal classroom limitations by offering after school projects, initiating trips to museums and galleries, and by using personal funds to obtain media unfamiliar to grade school children.

Mohawk High School, Sycamore, Ohio - September 1972 to January 1972. Grades 9-12.

Substitute teacher in all subject areas on the high school level.

Findlay City Schools, Findlay, Ohio - Spring quarter, 1979.
